2. The petitioner's request was rejected in G.O.No. Ms.1096, Revenue, dated 7-5-1948. His claims were examined again by the Board in July 1948 and the Board considered that there was no case to include the name of Sri K.Madhavaji in the approved list of Deputy Tahsildars. An extract of the Board's remarks is enclosed. There are already 34 candidates in the approved list against 10 permanent posts of Deputy Tahsildars in the South Kanara District.

Board's remarks on the candidate:

Sri.K.Madhavaji - S.S.L.C. - Non-Brahmin (Arya-Maharatta)
Age 41 -(Date of birth is 1-7-1907) - Temporary Huzur Head clerk
Collector's Office - Overaged, but otherwise qualified. Name
proposed in 1946 and 1947, but ordered to wait. His petition
to Government was rejected in G.O.Ms.1096, Revenue, dated 7-5-48.
Has served for more than 2 years in posts borne in the category
of Deputy Tahsildars and is eligible for inclusion (by the Board
under Rule 3-A(b) of the M.R.S.S. Rules. Non-striker.

Note by Secretary:

Has a number of minor punishments to his discredit and did badly as Revenue Inspector. Is intelligent and hardworking as a clerk and recent record quite good. Being a Non-Brahmin he

he may be included though overaged.

He is hardly the type. No case for relaxation of age rules in my opinion.

C.L.R.

With reference to C.L.X's minute ~~on~~ against Madhavaji, it is submitted that no relaxation of rules is necessary and that the Board is competent to include him even though he is overaged, as he has done more than 2 years service as a Deputy Tahsildar under Section 3(A). C.L.X. may see again.

Secretary.

I stick to my views about Madhavaji. In the present state of deterioration of the Revenue department only good men have to be promoted and he is not yet suitable in my opinion.

C.L.X.

Commissioner of Land Revenue, Excise & Prohibition has agreed to Commissioner of Land Revenue and Commercial Taxes's recommendations. Commissioner of Land Revenue and Commercial Taxes and Commissioner of Land Revenue, Excise and Prohibition both agreed to make Madhavaji wait but the note was put up as C.L.X. was under the impression that rule had to be relaxed for his inclusion. It is presumed C.L.R. also considers that although no relaxation is necessary, Madhavaji must wait.

Humble Memorial of K. Madhavji, Temporary Deputy
Tahsildar, UDIPI, South Kanara District. Dated 25.10.49

The memorialist most respectfully beg to represent his long pending and heart-burning grievances with the fervent hope that they will be redressed and sympathy shown to him:

2/- The memorialist is now 41 years old. He fully qualified himself for a Deputy Tahsildar's post in December, 1945 when he had just passed his 38th year and was within the age limit prescribed for inclusion of names in the Deputy Tahsildar's list. The memorialist was -- appointed temporarily as Deputy Tahsildar as far back as August, 1944, even before he was technically qualified for the post. He has been ^{working} temporarily as Deputy Tahsildar ever since August, 1944, of course, with small breaks in the middle for want of vacancies. He has worked as Taluk Supply Officer, Assistant Taluk Supply Officer, Head Quarters Deputy Tahsildar and even as Huzur Head Clerk, which post he was holding for about 2 years and 3 months.

3/- The memorialist belongs to the most recognised backward community of Arya Mahratta, which is as good or even worse than any Scheduled Class in this District. The Government's policy that Scheduled Classes should be given special considerations all round, perhaps in view of the fact that ordinarily such classes do not receive proper support from -- either the Departmental Officers or from the public, has to be applied in the case of the memorialist's community also. The fact that the memorialist is the only man of the community in superior service in the entire Revenue Department in this District will be sufficient proof of its pitiable backward nature.

4/- The memorialist has put in a pensionable service of about 20

years and has been working most sincerely and honestly. He has worked in the several cadres at the Ministerial Office, except as Taluk Head Accountant and has thorough experience of work. He has been tried successfully in the Revenue Divisional Offices and the Collector's Office.

5/- The ability and merit of the memorialist will be evident from the fact that though he can claim no support from anybody he was repeatedly called to work as clerk in the Collector's Office, where he worked at important tables such as Appointment, Jamabandy, Land Acquisition, Rural Uplift, etc.

6/- The mere fact that the petitioner who was only a temporary hand was made to work as Huzur Head Clerk, which post is usually given to experienced and serviced Deputy Tahsildars, for two years and more until the question of his reversion for want of vacancies arose, will prove by itself the ability, sincerity and honesty of the memorialist.

7/- While working as clerk, the Government accorded sanction for the award of a fountain-pen to the memorialist for the good services done by him in Flood Relief in the years 1941-42. As Huzur Head Clerk the good work of the memorialist was much appreciated by the Collector and he was awarded a red entry in the year 1947.

8/- The memorialist served directly under nine Collectors in different capacities and he is confident that one and all of the Collectors was satisfied with the memorialist's work.

9/- With all these, the memorialist is still a temporary Deputy Tahsildar, his name not still having been included in the list of Deputy Tahsildars, though three lists have been drawn up after the memorialist qualified himself. The memorialist was included in the list of Upper Division Clerks by such a strict Collector as Mr. M. V. Subramaniam, in the year 1943, before the war contingencies arose. Several of his juniors who were also qualified for Upper Division Clerks' posts were not selected then and this evidently means that they were not considered superior to the memorialist in merit and ability. But they have gone into the Deputy Tahsildars' lists subsequently overlooking the memorialist's claims and they have already completed their

probation in that cadre. Clerks with very little service who had no occasion to work as Head Clerks and at important and heavy tables were also promoted. Clerks of the Revenue Department who could not even secure a Upper Division Clerks' post have been taken to the Commercial Department and appointed as Asst. Commercial Tax Officers simply because they have put in two years' service. The memorialist further understands that persons who had joined the N.G.G.Os.' strike in 1947 are considered unfit for promotions especially to the Deputy Tahsildars' cadre. But even two of them have since been promoted, ignoring the claims of the memorialist who stood firm with the Government at the time of the strike. Even clerks who were working under ~~me~~ ^{the memorialist} are regular Deputy Tahsildars now and ~~I have~~ ^{the memorialist has} been most mercilessly ~~been~~ made a human stepping stone for the memorialist's juniors to go up. The humiliation and mental agony the memorialist has been subjected to may please be considered and the memorialist most beseechingly pray that his grievances may be redressed and that he may be made a man again.

10/- The memorialist has put in a total service of 3 years and 5 months as Temporary Deputy Tahsildar and has been continually acting as such for the last 2 years and nine months. He understands that Temporary Deputy Tahsildars who have put in temporary service satisfactorily for two years are to be included in the list of Deputy Tahsildars and even this concession was denied to ~~me~~ ^{the memorialist} though ~~my~~ ^{his} work was satisfactory as explained above and even in the present post of Head Quarters Deputy Tahsildar, Jdipi, the memorialist submits that the Revenue Divisional Officer has observed in his review on the Revenue Business Statement for the last half year that the work in the taluk where the memorialist is working is satisfactory.

11/- The memorialist humbly submits that Your Excellency may graciously be pleased to sympathetically consider the memorialist's pitiable case and direct that ----

- (i) The memorialist's name be included in the list of Deputy Tahsildars.
- (ii) That the services of the memorialist be regularised with effect from 16-1-1946 from which date he counts continuous service or at least from the date on which the 1946 list of Deputy Tahsildars was approved as the memorialist was fully qualified for the post and was within age then.

12/- For which act of charity and justice. the memorialist will
ever remain grateful.

Your Excellency's most obedient servant,

K. Madhavi

Memorialist.

Subordinate in an Revenue Divisional Office,
andapur.

The petitioner belongs to a very backward
community of 'Arya Vashis' and is not only
uneducated but also a dyabhi post. He counts
more than 8 years service as temporary dyabhi.
He has been working in the office as
a quarter Dyabhi for over 4 months
and I have found his work very good
and conduct exemplary. His service
in fact is exceptional. This is a hard case
and I strongly recommend the
inclusion of his name in the list
of this list.

The petitioner is
now working as Hq. Dy. Tahsildar
and he is easily the best officer
in my division. I endorse
the above remarks of the Tahsildar,
and recommend that the petitioner be
included in the list of Dy. Tahsildars

2. The memorialist is a permanent
 member of the Revenue establishment
 South Kanara district and is now
 acting as temporary Headquarters
 Deputy Tahsildar at Udipi. He belongs to
 a backward class. He is technically

 regular inclusion in the approved list
 as he completed 40 years on 30.6.47.
 He has also served in 3-A posts for
 more than 2 years. The Colr. recommends
 his name for inclusion in the list of

 ordered that he should wait. In a
 petition he submitted to the Govt for inclusion
 in the list. He was informed that his
 claims would be considered by the Bd.
